TOGETHER WE CAN BUILD A BETTER US

ANNUAL CAMPAIGN
THOMASVILLE YMCA

From safe spaces to academic achievement to family well-being and more, when you donate to the Y, you're giving those in need the opportunity to thrive.

Give for a better us.

Our members and friends call us THEIR Y. We call them OUR greatest resource- the HUNDREDS of people who work alongside us and support our work to help our neighbors learn, grow and thrive.

TOGETHER WE CAN CREATE A BETTER US

HERE'S WHAT YOUR GIFT WILL DO.

What if we could harness all of that power to make an even greater difference on a bigger scale?

With programs from A to Z—like Health & Wellness to H.O.P.E. (Helping Oncology Patients Exercise), Child Care to Christian Principles, Soccer to Scholarships —we don't just strengthen individuals, we strengthen our community. Every year through our strong partnerships and collaborations we are able to expand our impact, delivering over \$250,000 in much needed financial assistance to children, teens, adults, families and senior citizens right here in our local community.

Yet there is so much more to do.

Thomas County faces new challenges that create a greater need for the work we do. Fortunately, where some see obstacles, we see opportunities for our members, volunteers, staff, and generous donors like you to make a difference. No other organization can impact as many people as powerfully as we do every day.

You know the challenges that we face in Thomasville. More and more children face seemingly insurmountable learning gaps. Families find it difficult to spend quality time together. People are not connected to their neighbors and face time happens through a phone.

But where society falls short, the Y – and donors like you – steps in. After more than 110 years of serving our community, the Y understands what Thomas County needs to be its best. Everything our Y does is in service of making us – as individuals and a community – better.

But keeping Thomasville great is a full-time job. YMCA donors, volunteers, members and partners like you make the difference. When you give to the Y, every dollar donated stays local and has a lasting impact on the people we serve.

Our Annual Campaign helps build a better community.
