TENNIS LESSONS ARE BACK!

Instructor:

Coach Dan is a USTA Safe Play-approved development coach with a lifelong passion for tennis and growing the next generation. A proud Thomasville native and member of three TCCHS region championship teams, Dan brings years of competitive experience from high school and beyond to the court.

Off the court, Dan has dedicated his life to working with children and families. With a background in youth ministry and nine years sharing "Inflatable Stories" around the nation with giant balloon creations, he knows how to make learning fun, engaging, and encouraging. Dan believes the lessons of perseverance, character, and faith learned through tennis help young players build a foundation for success in everyday life.
