INFORMATION FOR PARENTS

YMCA MISSION

It is the mission of the Thomasville YMCA to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

PARENTS TRUST US

YMCA Day Camps provide a happy, healthy environment for children to learn and grow. Children have the opportunity to build self-confidence, independence, and creativity, and parents have peace of mind knowing their child is in a safe and enriching place.

CHARACTER DEVELOPMENT

Having fun, developing lasting relationships and making memories aren't the only things we do at Y Day Camp. Four very important core values are taught daily through camp activities. Caring, honesty, respect and responsibility are a part of every camp day.

THE CAMBERSHIP PROGRAM

At the Y everyone is welcome, regardless of an individual's ability to pay full program fees. Financial assistance is available to those that qualify. If you have a financial hardship, please ask us about a Campership for your child.

JOIN THE Y

Become a Y member and you and your family will receive special member rates on all of our programs. The Y is a non-profit community organization dedicated to enriching the lives of all. We do not discriminate on the basis of race, religion, age, sex, gender or socioeconomic background.

INFORMATION FORM

We must have a completed information form on each child. You can either print by going to our website www.ymca-thomasville.org or by obtaining one at the front desk at either the Butler-Mason or Everett-Milton location.
