### Class Descriptions

**AIM- Adults In Motion!** An exercise class designed to incorporate cardiovascular training, flexibility, strength and balance.

**Chair Yoga-** Perfect for beginning yoga students and those with physical challenges who find it difficult to get on and off the floor as required in a traditional yoga class. The postures are chosen to protect joints, strengthen balance and increase range of movement.

**BAM –Beats And Motion!** Using rhythm as the source of inspiration to discover a new group fitness experience BAM combines the benefits of a traditional physical fitness program with the brain affected benefits of music and rhythm.

**Silver Sneakers-** Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. A chair is used for seated or standing support.

**Use it or Lose it! -** This class is created to help individuals maintain or gain functional strength and balance for every day life by incorporating specific modalities in a friendly and supportive group environment.

**Zumba Gold-** All the fun and energy of a Zumba class, but at a less intense pace.

**Make sure to check out the Aquatics Class Schedule!\***
