Visit www.ymca-thomasville.org for a complete class description or ask a

AIM	Adults in motion! An exercise class designed for those 55 years and up incorporating cardiovascular training, flexibility, strength, and balance.
BAM	Beats And Motion! Using rhythm as the source of inspiration to discover a new group fitness experience BAM combines the benefits of a traditional physical fitness program with the brain affected benefits of music and rhythm.
Body Blast	This is a full body workout that involves cardio to increase the heart rate, and resistance training to sculpt the arms, butt, and core. It is an intense workout to start your day out right and have you leave class feeling great!
Kickboxing	A cardio workout that incorporates punches, kicks, ply metrics and more. You will burn mega calories. Great for the beginner or the experienced.
Lunch Express	A 30 minute total body workout.
Morning Madness	This circuit style class is guaranteed to wake you up!
Pilates	This class improves flexibility, builds strength and develops control and endurance in the entire body. It puts emphasis on alignment, breathing, developing a strong core, and improving coordination and balance.
Piloxing Knockout	30-minute workout influenced by plyometrics, sports conditioning drills and functional training. Increase your fitness level, boost your confidence and strength, break boundaries and gain results.
Power Muscle Pump	Work every major muscle group in the body. Strengthens, conditions, tones, and defines! A workout that challenges all the major muscle groups by using the best weight room exercises like squats, presses, lifts and curls. Great for any fitness level!
Silver Sneakers	Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and a SilverSneakers ball are offered for resistance. A chair is available if
Strong	Combines high intensity interval training with the science of Synced Music Motivation. In every class, music and moves sync in a way that pushes you past your perceived limits, to reach your fitness goals faster.
R.I.P.	Combine cardio and strength training for the ultimate full body workout that will tone your muscles and burn fat leaving you dripping with sweat!
Spin	Join in for an exciting, high-calorie burning workout that utilizes motivational techniques and music, while cycling indoors
Use it or Lose It!	This class is created to help individuals maintain or gain functional strength and balance for every day life by incorporating specific modalities in a friendly and supportive group environment.
Yoga*	This program incorporates the best of stretch, strength, and stabilization training. Exercises are designed to develop strength and flexibility to counter balance the stress of day to day life. *see separate yoga schedule for more detailed yoga descriptions for various yoga classes
Chair Yoga	Perfect for beginning yoga students & those with physical challenges who find it difficult to get on & off the floor as required in a traditional yoga class. The postures are chosen to protect joints, strengthen balance and increase range of movement.
Zumba	One of the fastest growing dance based classes, Zumba fuses hypnotic Latin rhythm and easy to follow moves to create a dynamic fitness workout.
Zumba Soul	Get in touch with your inner joy with zumba soul! Shake it up in a traditional zumba class with the added aspect of exploring your inner being and finding joy through movement!
Zumba Gold	Less intense, with dance routines designed for beginners and older adults who may have limited capabilities.
