- Ageless Grace** Ageless Grace is a cutting edge brain fitness program done in a chair- for ages 3-103! It stimulates all five functions of the brain, just like playing games with your brain.
- AIM** Adults in motion! An exercise class designed for those 55 years and up incorporating cardiovascular training, flexibility, strength, and balance.
- BAM** Beats And Motion! Using rhythm as the source of inspiration to discover a new group fitness experience BAM combines the benefits of a traditional physical fitness program with the brain affected benefits of music and rhythm.
- Body Blast** This is a full body workout that involves cardio to increase the heart rate, and resistance training to sculpt the arms, butt, and core. It is an intense workout to start your day out right and have you leave class feeling great!
- Boot Camp** An intense work-out program. Maximize your strength, amplify your power, increase your speed, and improve your agility.
- Knock It Off** Conditioning based boxing including calisthenics, plyos, rope work, weights, shadowboxing and core work. Total body workout!
- Morning Madness** This circuit style class is guaranteed to wake you up!
- Pilates** This class improves flexibility, builds strength and develops control and endurance in the entire body. It puts emphasis on alignment, 30-minute workout influenced by plyometrics, sports conditioning drills and functional training. Increase your fitness level, boost your confidence and strength, break boundaries and gain results.
- Piloxing Knockout** 30-minute workout influenced by plyometrics, sports conditioning drills and functional training. Increase your fitness level, boost your confidence and strength, break boundaries and gain results.
- Power Muscle** Work every major muscle group in the body. Strengthens, conditions, tones, and defines!
- Pump** A workout that challenges all the major muscle groups by using the best weight room exercises like squats, presses, lifts and curls. Great for building strength and muscle.
- Strong** Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and endurance. Combines high intensity interval training with the science of Synced Music Motivation. In every class, music and moves sync in a way that pushes you past your perceived limits, to reach your fitness goals faster.
- R.I.P.** Combine cardio and strength training for the ultimate full body workout that will tone your muscles and burn fat leaving you dripping with sweat!
- Spin** Join in for an exciting, high-calorie burning workout that utilizes motivational techniques and music, while cycling indoors
- Use it or Lose It!** This class is created to help individuals maintain or gain functional strength and balance for every day life by incorporating specific exercises and movements.
- Yoga*** This program incorporates the best of stretch, strength, and stabilization training. Exercises are designed to develop strength and flexibility to counter balance the stress of day to day life.
*see separate yoga schedule for more detailed yoga descriptions for various yoga classes
- Chair Yoga** Perfect for beginning yoga students & those with physical challenges who find it difficult to get on & off the floor as required in a traditional yoga class.
- Zumba** One of the fastest growing dance based classes, Zumba fuses hypnotic Latin rhythm and easy to follow moves to create a dynamic fitness workout.
- Zumba Soul** Get in touch with your inner joy with zumba soul! Shake it up in a traditional zumba class with the added aspect of exploring your inner being and finding joy through movement!
- Zumba Gold** Less intense, with dance routines designed for beginners and older adults who may have limited capabilities.
